First year resident students are not permitted to bring vehicles to the University.

b. Any resident student may request convenience parking based on a documented health problem or other hardship in writing through SAS. Requests should include a letter from a physician that describes the medical condition, and the extent to which the health issue inhibits mobility or requires special consideration. Students awarded an exception must pay the appropriate convenience parking fee.

c. Resident Student Convenience Parking areas are behind the gates in the following lots: Ahern/McAuley, Aquinas, Avila, Bellarmine, Campion, Claver, Dorothy Day, Newman, Rahner Village and Thomas More Loop Road/Loop.
